LEADERSHIP PROGRAM TRAINING

Oxfam is launching a leadership program to support women in women's rights organisations, young activists, interlocutors, and public officials in strengthening their capacity to contribute to the gender-transformative policies at the national level by increasing their skills and knowledge in lobbying, advocacy, policy analysis, and evidence-based influencing.

PROJECT BACKGROUND

Women and Girls Rebuilding New Iraq's project funded by Global Affairs Canada and implemented by Oxfam in Iraq contribute to shaping policy, decision-making mechanisms and peacebuilding processes at multiple levels, thus the Leadership Program.
